

# ONLINE CHECK-IN #1

Please follow these guidelines:

1. Please let me know if you're the first one on as I might be working on another screen
2. One person talking at a time
3. When you're not talking, mute your microphone
4. Please use the chat to ask questions while I teach

# ASSIGNMENT #1:

---

- A rep from a Children's hospital in LA reached out and explained how their healthcare workers are exhausted and really need something to raise their spirits
- It'll be your first assignment to practice using your art programs you have available to design an encouragement postcard to send electronically

# ASSIGNMENT #1 (continued):

---

- Design and/or draw something that you feel would really make their day
- You can also type/write a little message to personalize it a bit!
- Everyone needs words of encouragement sometimes...if you would like to expand and make this for someone close to you instead, that's perfectly fine.

# TECHNICAL REQUIREMENTS:

---

- 4x6 in.
- 72 resolution (remember this is for online viewing)
- Draw or Design (or a combination of both) using your programs available
- If you don't have a program available, please draw it out traditionally
- Saved as a .png (highest quality for viewing online)

# SUBMISSION PROCESS:

---

- **Progress check Wednesday, April 8**
  - Submit a screenshot/pic of what you have so far on [saberstudios.org](https://saberstudios.org) thread
  - I'll provide feedback so you can adjust
- **Turn in final: Google Classroom on Monday, April 13**
- If you drew, you will need to take a well-lit picture of your drawing to submit

# Q&A TIME:

---

- Answered questions on chat.
